

Spencer Renfro

Full-stack Javascript Developer

Boulder, CO
(217) 313-4416
spencer.renfro13@gmail.com

EXPERIENCE

VetForce Colorado—*Armed Security Guard*

Boulder & Longmont, CO • January 2022 - Present

Armed guard for a private security firm. Responsibilities included perimeter checks, validation of identification, and overall safety of the building.

Canton Inn—*Bartender/server*

Hillsboro, IL • June 2021–January 2022

Front-End development of critical features in EmberJS, executing TDD and BDD. I mentored juniors, gave technical presentations, led several Epic features, and refactored much of the Email product.

U.S. Air Force Installation—*Aerospace Ground Equipment Journeyman*

Ramstein, Germany. • 2016–June 2019

Mildenhall, U.K. • 2014–June 2016

Front-End web development and maintenance of legacy AngularJS and new Vue.js ecommerce sites. I wrote Java 8 REST API endpoints configured with Maven + Spring Boot to work with our MongoDB cache, scaled to serve millions of customers every day.

EDUCATION

Community College of the Air

Force—*Associates in applied science in Aerospace Ground Equipment Technology*
